### “Hydro Regular in Selsey Sessions House Rescue”

Sylvia Marshall of Cosy Homes is part way through the restoration of Sessions House a Grade II listed building in Selsey. A former 17th Century Farmhouse that was razed to the ground after a huge fire in 2006, like the Hydro, Sylvia believes in keeping our traditional buildings alive and not letting them turn into modern day supermarkets and car parks.

The Hydro are teaming up with Sylvia and Cosy Homes to run a series of competitions on her Website and follow the progress of the build at Sessions House. For more information on our competitions visit [www.cosyhomesonline.com/hydro](http://www.cosyhomesonline.com/hydro) and keep up to date with all the latest news and events.

### “Another Huge Marrow from Chris”

Once again Green Fingered Chris Greenacre has produced another whopping Marrow from his allotment.

Once again it's on display in the lobby where you can guess the weight for only £1 for your chance to take the Marrow home. (That's more than your 5 a day!)

So far Chris has raised over £150.00 toward this years charities, St Dunstan's and Demelza Hospice for Children.

Well done Chris for all your effort once again this year.
